**MEMORANDUM**

NO. : 2020-09-A  
TO : MUNICIPAL OFFICIALS AND DEPARTMENT & UNIT HEADS  
SUBJECT : OFFICIAL FB PAGE OF THE MUNICIPAL GOVERNMENT OF BANSUD

To keep abreast with the digital era and maximize its benefit wherein information is effectively disseminated through social media platform, the Municipal Government of Bansud has been using this information technology, however, it is observed that we have been using several FB accounts which somewhat create confusions to the public as to the veracity of information and postings.

In view of the above and for the Municipal Government of Bansud to have an official Facebook account where all official postings/information for dissemination to the public will be posted and also where the public can express their views, air sentiments and bring complaints, suggestions and recommendations, we shall officially launch our official Facebook account effective February 04, 2021. Below is the link for all.
